Qualiopi

processus certifié

CURRENT SITUATION

Qualiopi

Do you need Qualiopi?
What is it exactly?

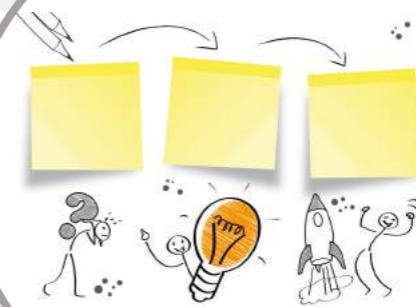

DataDock

Do you already have DataDock?
What's going to happen to DataDock?

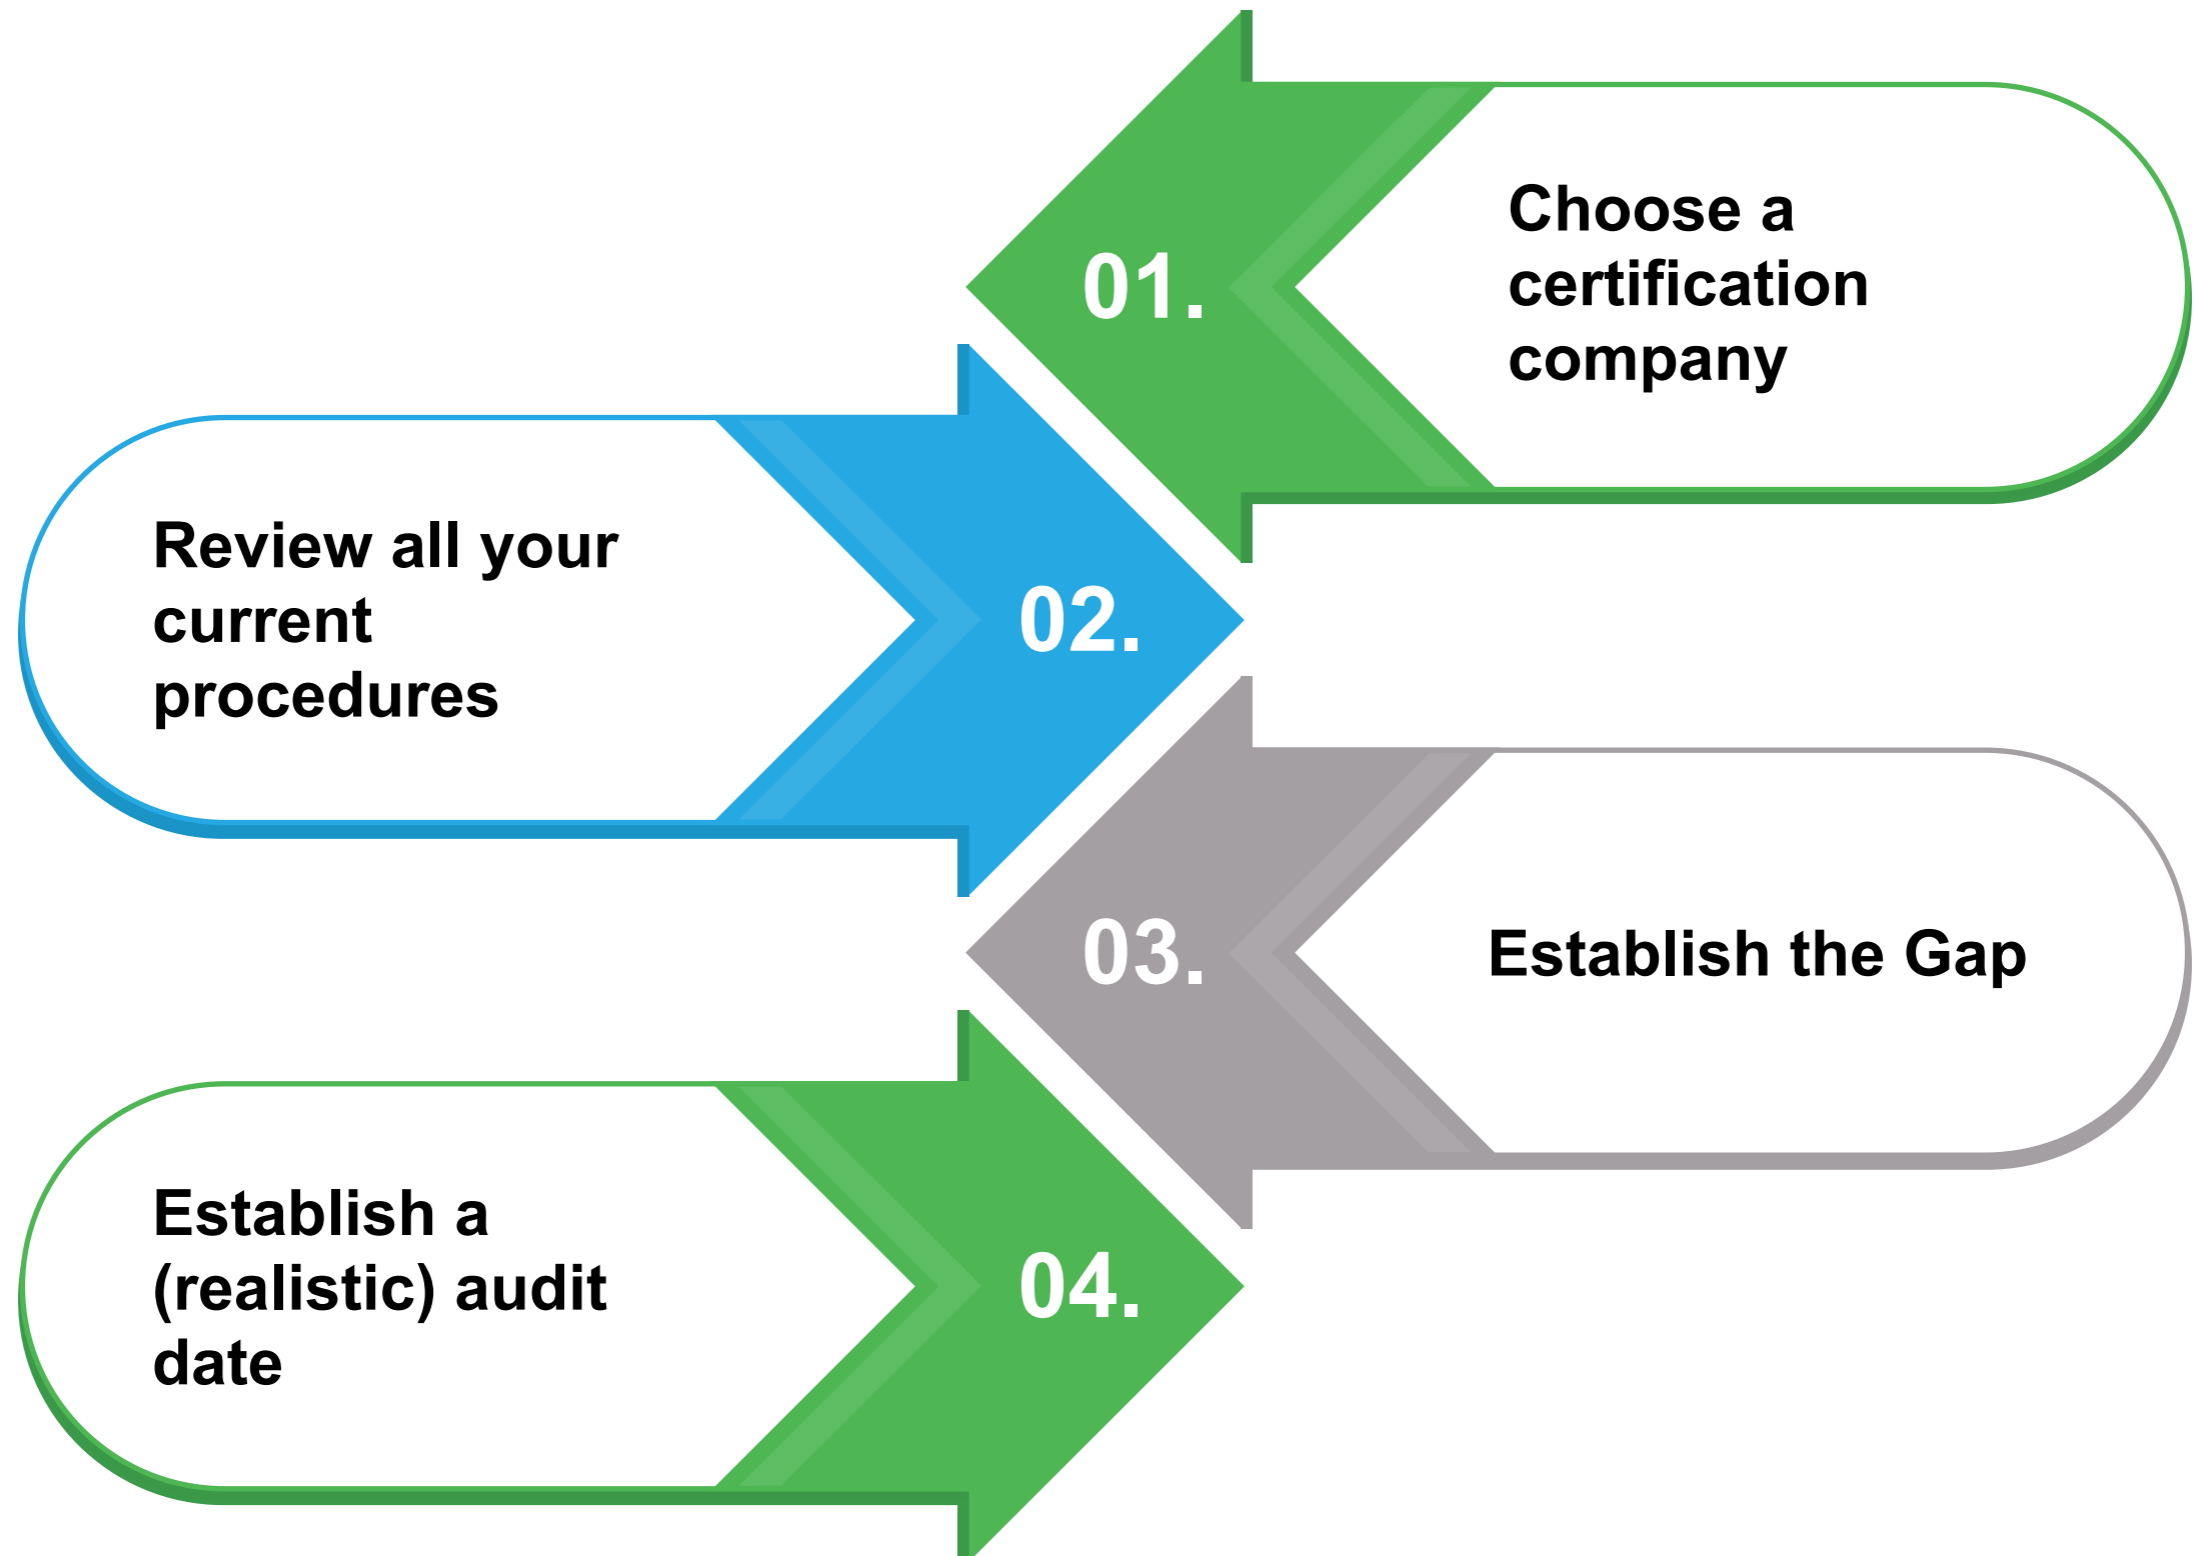

Your Processes

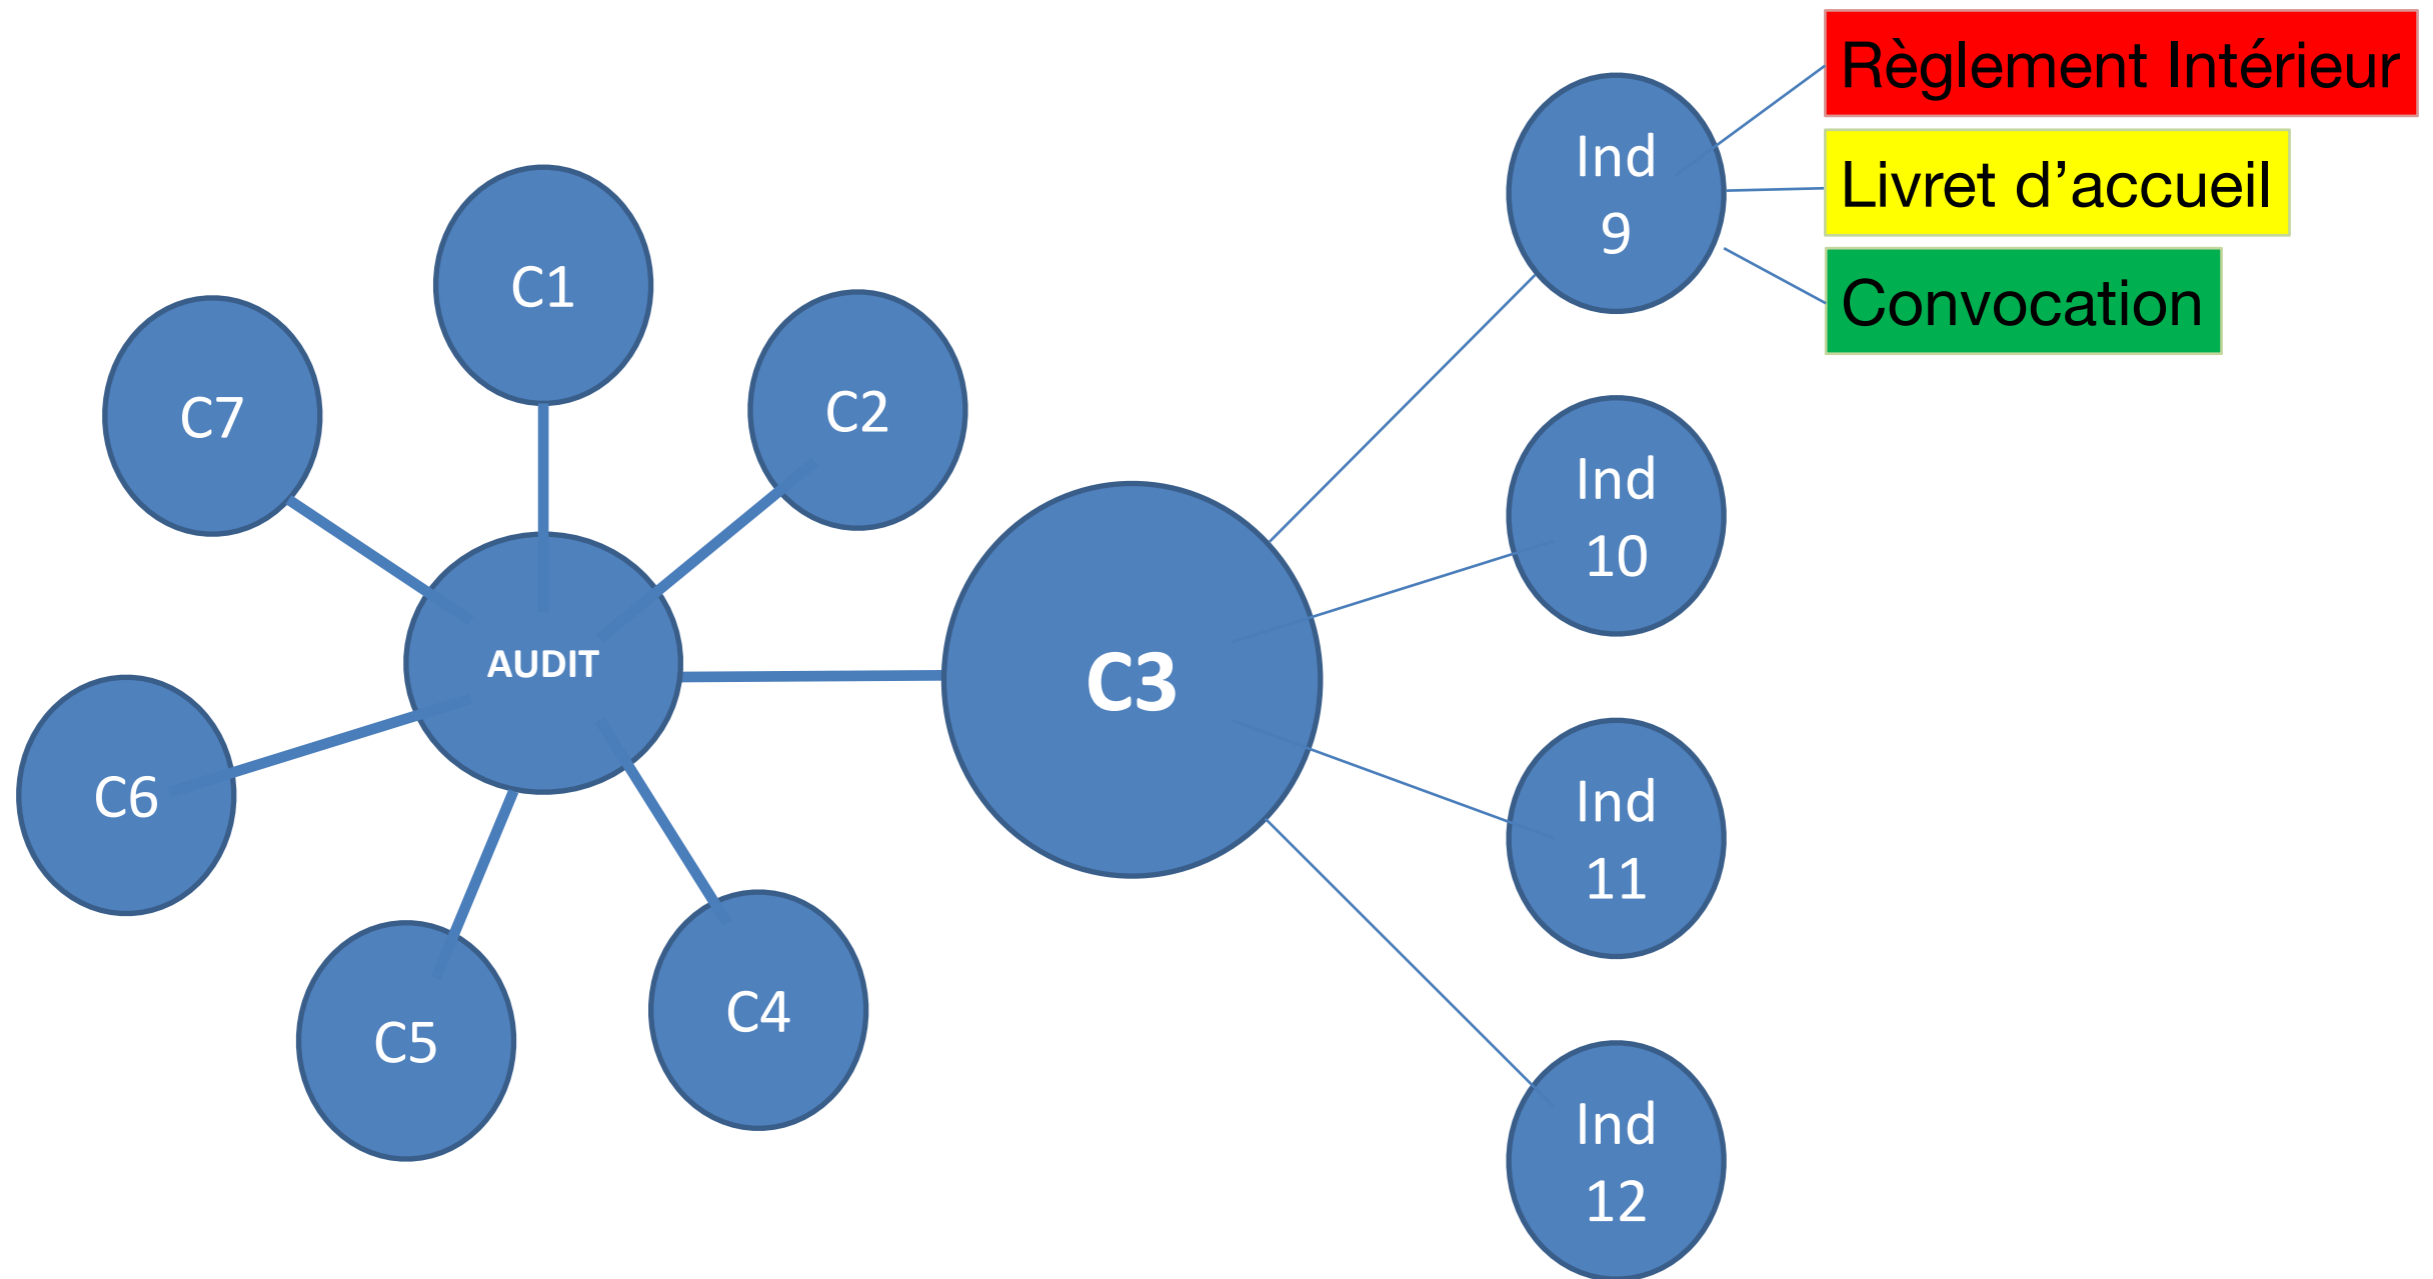

What kind of processes do you already
have in place?

FIRST STEPS

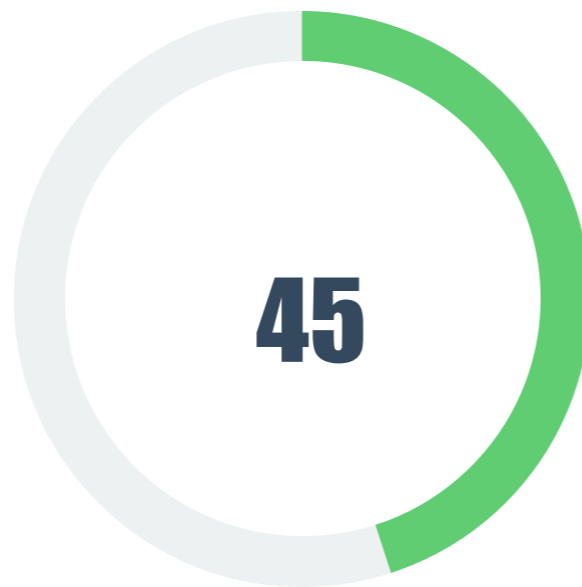

PREPARE DOCS and UPLOAD

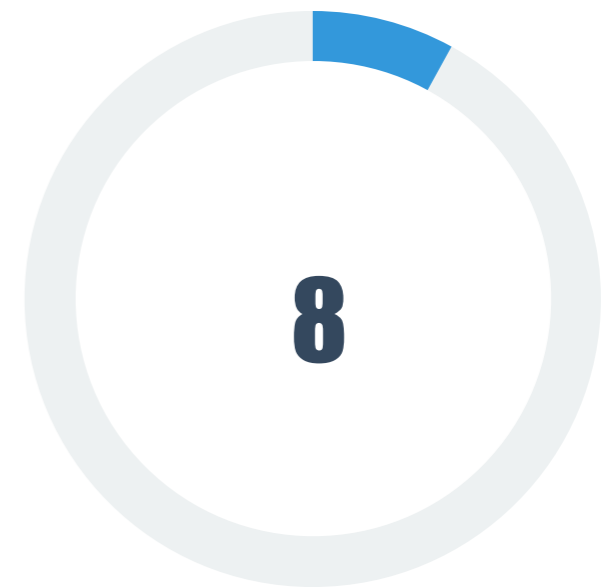

PREPARE FOR THE AUDIT

Organise your procedures & évidence

Make sure you can find what you need when you need it

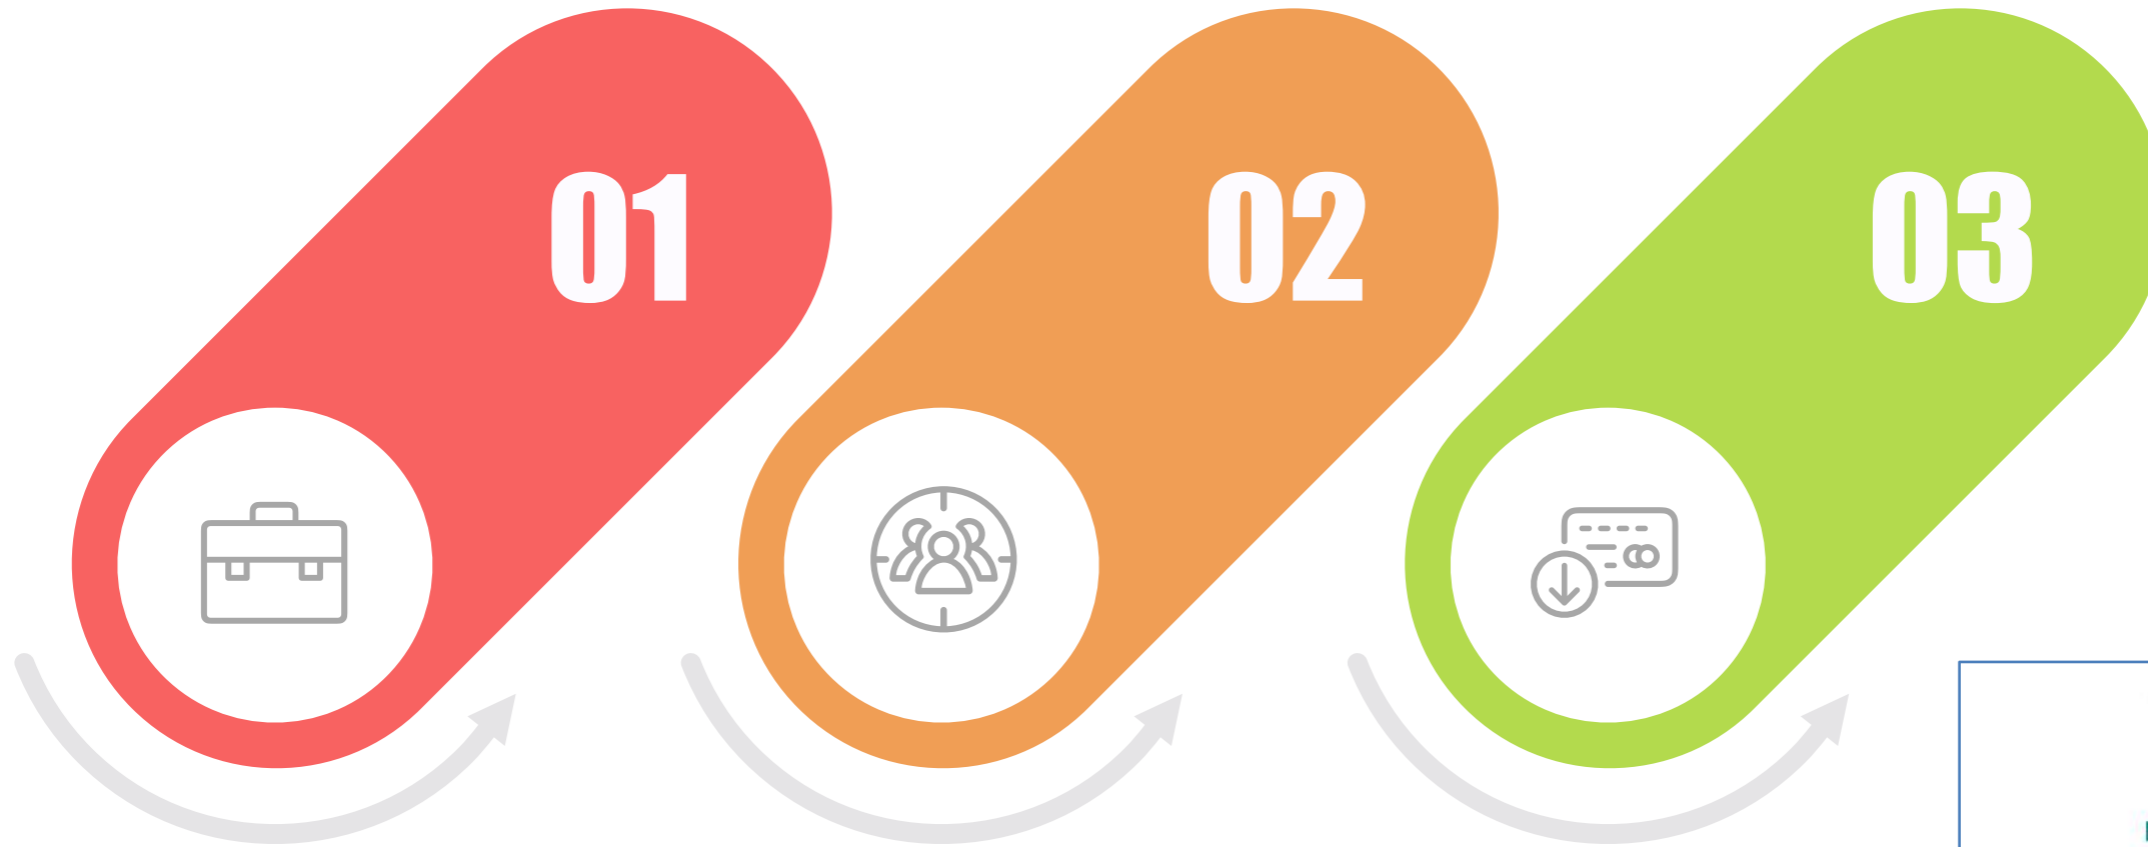

Have several examples for each indicator

THE AUDITOR and THE AUDIT

THE AUDIT DAY

CERTIFICATION

Outcome

“Non-conformités” -
Major or Minors?

Resubmit

Make the necessary
changes and wait for
the final answer

You're certified!

Congratulations! Now
you can tell people
about it.
